

COUNTY OF MORRIS
Local Concept Development Study for
Martin Luther King Avenue Bridge over the Whippany River
Town of Morristown, New Jersey

Public Information Center Meeting

The County of Morris, in cooperation with the North Jersey Transportation Planning Authority, the New Jersey Department of Transportation, and the Federal Highway Administration, will be hosting a Public Information Center meeting to inform local residents, organizations, businesses and the general public of the Local Concept Development Study for the Martin Luther King Avenue Bridge over the Whippany River located in the Town of Morristown.

The purpose of the Public Information Center meeting is to inform the public of the Purpose and Need Statement and to solicit public input and comment on the conceptual alternatives and Preliminary Preferred Alternative (PPA) for bridge improvements. This meeting is being conducted in conformance with Federal and State regulations. All members of the general public are invited to attend and are encouraged to comment on the study. The meeting will be conducted in an open house format.
